

RFQ/RFinformation – Your Ref :

Company*:

Address*:

Contact*:

Phone Nr*: Date:

E-Mail*:

Nominal diameter*:	<input type="text"/>	Quantity*:	<input type="text"/>
Mounting Length (mm):	<input type="text"/>		
Max..Working pressure*	<input type="text"/>	Minimum Working pressure*:	<input type="text"/>
Max. Working temperature*:	Medium's: <input type="text"/> °C		
	Surroundings': <input type="text"/> °C		
Medium*:	<input type="text"/>		
Risk Classification according to PED 2014-68UE*:	<input type="text"/>		

Bellow:

Bellow's material:

Max.Working temperature: °C

Medium's speed: m/s

Flow: m³/h

Surroundings conditions:

Special working conditions:

Movements:

Axial elongation (mm):

Lateral +/- (mm):

Axial compression (mm):

Angular (°):

Flanges*:

Flange drilling: related standard

Material:

Not standard:

Flange dimensions → outer diameter D mm

Pitch circle K mm

Material Holes number n holes

Holes diameter d₂ mm

Accessories

Flame guards	<input type="text"/>	Vacuum ring	<input type="text"/>
Splash guards	<input type="text"/>	Inner Deflector	<input type="text"/>
Protection cover	<input type="text"/>	Tie-rods (pls specify)	<input type="text"/>

Certificates/tests (pls specify):

***Essential information to give**

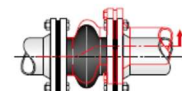

Mounting conditions/other information:

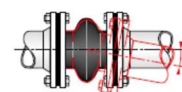

AXIAL COMPRESSION

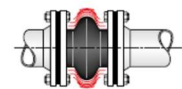

AXIAL ELONGATION

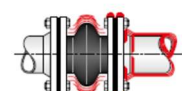

LATERAL DEFLECTION

ANGULAR DEFLECTION

WATER HAMMER REDUCTION

ELIMINATION OF VIBRATION
